

# BCNOC Past President Dinner

January 12, 2012

Dear Fellow Optimists,

Thank you so much for the Past President's Dinner that you held for me on January 12th. I so enjoyed being your president and spending the last year with you. Thank you for all of your support and assistance and thank you for making it a great productive year. Together we tried some great new things and I appreciate all of you. Some days I look through rose colored glasses as seen in the picture above (thanks Polly for the glasses and Marlene for taking the picture). But with you guys I never had to look through rose color glasses cuz you are all very beautiful to me. Thank you again for a great year.
